

# Certificate IV in Work Health and Safety

This qualification applies to individuals working in (or wanting to secure) a work health and safety (WHS) role. It has been designed to give you specialised skills and knowledge in areas including assisting with responding to incidents, contribution to implementing and maintaining WHS consultation and participation processes and assisting with compliance with WHS laws.

The qualification applies to those working as supervisors, WHS personnel, and workers in other WHS-related roles who manage risks effectively, apply relevant WHS laws, and contribute to WHS within the workplace in known or changing contexts with established parameters.

The health and safety of all people whilst at work is paramount and this course will provide you with the skills to work closely with an organisation and its employees to help keep them safe and healthy whilst performing their duties or visiting the organisation.

## Relevant Job Roles:

- Administration
- WHS Adviser or WHS officer
- Occupational Health and Safety Officer
- Occupational Health and Safety Technician

## DISTANCE LEARNING

Distance learning students can choose their electives and timeframe in line with the qualification rules for completion of training. Timeframes will be negotiated with the trainer but the Australian Qualification Framework (AQF) suggests that a student should complete this qualification between six months to two years. A My Qualification Plan (MQP) and Training Plan (TP) will be put in place to assist through the learning program.

## FLEXIBLE DELIVERY MODES

Alana Kaye provides a number of options for flexible delivery of qualifications. These include a variety of different methods of training such as face-to-face workshops, distance learning, Recognition of Prior Learning (RPL) or mixed delivery. Selection of elective units can also be tailored to individual requirements following discussions with the Alana Kaye team and in line with the packaging rules.

## FACE-TO-FACE SCHEDULE

For scheduled course dates, please contact Alana Kaye on 1300 25 26 25 or email [training@alanakaye.edu.au](mailto:training@alanakaye.edu.au).

## ENTRY REQUIREMENTS

There are no entry requirements for this qualification. However, it is expected that students will have appropriate language, literacy and numeracy skills to complete the training and assessment requirements. Students must be willing to undertake work based projects as part of the assessment requirements.

## PATHWAYS

Students may enter directly into the BSB41419 Certificate IV in Work Health and Safety. Graduates may study a higher level qualification including the BSB51319 Diploma of Work Health and Safety.

## RECOGNITION OF PRIOR LEARNING (RPL)

You can apply for RPL if you have the knowledge and skills gained through work, formal study, volunteering, informal or formal training, social activities or general life experiences. If you feel that you may qualify for RPL, please contact our office for further information about the process to demonstrate your experience and knowledge.

## RESOURCES REQUIRED

Students are required to have access to a computer (or use an Alana Kaye computer) to complete assessment tasks. Alana Kaye are conscious of the environment and where possible, provide resources and assessments through our online learning portal. If possible, please bring a laptop to workshops.

Distance learning students must have access to a computer and internet.
