

The Diploma of Leadership and Management will provide you with leadership skills to effectively manage teams, improve workplace relationships, manage human resources and contribute to strategic and business planning across a range of enterprises. You will develop skills in project planning, budgeting, people performance and managing team effectiveness for business improvement.

The Diploma of Leadership and Management reflects the role of individuals who apply knowledge, practical skills and experience in leadership and management across a range of enterprise and industry contexts. Individuals at this level display initiative and judgement in planning, organising, implementing and monitoring their own workload and the workload of others. They use communication skills to support individuals and teams to meet organisational or enterprise requirements. They plan, design, apply and evaluate solutions to unpredictable problems, and identify, analyse and synthesise information from a variety of sources.

### Example Job Roles

Business Manager, General Manager, Sales Manager, Team Leader, Frontline Manager
